CEREAL KILLER \$6

Oh that milk in the bottom of the bowl! We're doing it one better by making it into a milkshake... we soak a classic cereal in milk (ask which one we have this week), strain out the healthy parts, mix the sugary milk goodness that's left with Homestead Creamery Ice Cream, and top it with whipped cream... even Mikey would like it.

FANCY BOOZE

Forget your bad decisions

- o BC² Re-Tox orange, pineapple, and cranberry juices, double vodka, champagne, splash grenadine; served in a quart jar with two straws 12
